Child Safe Michigan, as an affiliate of Judson Center, provides life-changing foster care, adoption and mentoring services to children in Southeast Michigan who have been abused and neglected. Last year, Child Safe provided foster care services to 221 children, matched 61 mentors and mentees and helped 129 children find forever homes through adoption.

Please join us this year to make a meaningful difference in these children's lives by becoming a sponsor of *Pull! for Kids*.

The *Pull! for Kids* event will take place on **Thursday, September 21 at the Detroit Gun Club**. The event is an action-packed sporting-clay tournament that provides each team with targets, all standard ammunition, ear and eye protection, shooting cart and a puller for assistance. All skill levels are welcome. We will continue the evening with the Detroit Gun Club's famous grill dinner, followed by a short program with awards and raffles.

As a sponsor, you are making a difference in the lives of children who are suffering through traumatic experiences and you are helping provide Child Safe with the resources needed to give these children a safe home and real hope for the future.

If you would like more information about supporting this wonderful cause, please contact Nick Papadas at 248-554-6361 or at nick_papadas@judsoncenter.org.

Sincerely,

Joe Yamin
